Vision & Mission Statements

Vision

Our vision is to be one of the leading Islamic Financial Institution within Modaraba sector by offering Shari'ah compliant solutions for an optimal satisfaction of customers

Mission

The basic aim of Sindh Modaraba is to seek Allah's blessing for transformation of our business dealings in accordance with the principles enshrined in the Islamic Shari'ah. And to develop an Islamic Institution by implementing Allah's will in the line with the practices of His Prophet (P.B.U.H.) by meeting its stated objectives built on Trust, Integrity, Innovation and good governance for meeting expectation of its stakeholders.

Directors' Review

The Board of Directors of Sindh Modaraba Management Limited, Mudarib/Management Company of Sindh Modaraba is pleased to present the un-audited Financial Statements of Sindh Modaraba for the period ended March 31, 2015.

Operating Results

The Modaraba commenced its business operations w.e.f. 11th February 2015 and this is its first published financial statements. By the grace of Almighty Allah and with our sponsor's support, the Modaraba started the journey with a positive bottom line and recorded net profit of Rs. 4.51 million, for the period under review. This was only possible as the sponsors did not pass on the entire burden of the preliminary expenses to the Modaraba and borne more than Rs. 10 million themselves.

Future Prospects

The management intends to focus on building a high quality and diversified financing portfolio which will serve as a strong base for Modaraba's future growth. Modaraba also intends to open its branches in other cities of the country in near future. All efforts will be made to keep the operating costs at the minimum level.

Acknowledgement

We wish to place on record our appreciation and thanks to the certificate-holders and customers for their confidence in the newly established 'Modaraba', to the Regulatory Authorities and sponsors for their support and guidance and to the members of management and staff for their dedication and hard work.

On behalf of the Board

Javed Iqbal
Chief Executive

Karachi: April 27, 2015

Notes to the Condensed Interim Financial Information (Un-audited)

For the period from February 11, 2015 to March 31, 2015

1 STATUS AND NATURE OF BUSINESS

Sindh Modaraba (the Modaraba) has been floated under the Modaraba Companies and Modaraba (Floatation and Control) Ordinance, 1980 and the Rules framed thereunder and is managed by Sindh Modaraba Management Limited, a company wholly owned by Government of Sindh. After receiving certificate of minimum subscription, the Modaraba commenced its business operations with effect from February 11, 2015. The address of its registered office is 1st Floor, Imperial Court, Dr. Ziauddin Ahmed Road, Karachi.

Sindh Modaraba is a perpetual, multi-purpose and multi-dimensional Modaraba and is primarily engaged in providing Shariah compliant financing facilities to credit worthy customers. The Modaraba is listed on Karachi Stock Exchange.

2 BASIS OF PREPARATION

2.1 Statement of Compliance

This condensed interim financial information has been prepared in accordance with approved accounting standards as applicable in Pakistan for interim financial reporting. Approved accounting standards comprise of such International Financial Reporting Standards (IFRSs) issued by the International Accounting Standards Board and Islamic Financial Accounting Standards (IFAS) issued by the Institute of Chartered Accountants of Pakistan as are notified under the Companies Ordinance, 1984, the requirements of the Modaraba Companies and Modaraba (Floatation and Control) Ordinance, 1980, Modaraba Companies and Modaraba Rules, 1981 and the directives issued by the Securities and Exchange Commission of Pakistan (SECP). Wherever the requirements of the Modaraba Companies and Modaraba (Floatation and Control) Ordinance, 1980, Modaraba Companies and Modaraba Rules, 1981 and the directives issued by SECP differ with the requirements of IFRSs or IFAS, the requirements of the Modaraba Companies and Modaraba (Floatation and Control) Ordinance, 1980, Modaraba Companies and Modaraba Rules, 1981 or the directives issued by the SECP prevail.

2.2 Accounting Estimates and Judgements

The preparation of financial statements in conformity with the approved accounting standards requires the management to make estimates, judgments and assumptions that affect the reported amounts of assets and liabilities, income and expenses. It also requires the management to exercise judgment in application of the Modaraba's accounting policies. The estimates, judgments and associated assumptions are based on the management's experience and various other factors that are believed to be reasonable under the circumstances. These estimates and assumptions are reviewed on an on-going basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of revision and future periods if the revision affects both the current and future periods.

2.3 Accounting convention

This condensed interim financial information has been prepared under the historical cost convention.

2.4 Functional and presentation currency

This condensed interim financial information is presented in Pakistani Rupees which is the Modaraba's functional and presentation currency.

3 SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies applied in the preparation of these condensed interim financial information are set out below.

Notes to the Condensed Interim Financial Information (Un-audited)

For the period from February 11, 2015 to March 31, 2015

3.1 CASH AND CASH EQUIVALENTS

Cash and cash equivalents are carried in the balance sheet at cost. These include balances with banks in deposit accounts.

3.2 FINANCIAL INSTRUMENTS

Financial Assets

Classification

The management determines the appropriate classification of the financial assets of the Modaraba in accordance with the requirements of International Accounting Standard (IAS) 39: 'Financial Instruments: Recognition and Measurement', at the time of purchase of financial assets and re-evaluates this classification on a regular basis. The classification depends upon the purpose for which the financial assets are acquired.

Initial Recognition and Measurement

Financial assets are recognised at the time the Modaraba becomes a party to the contractual obligations of the instruments. These are initially recognised at fair value plus transaction costs.

Subsequent Measurement

Subsequent to initial recognition, financial assets are carried at amortised cost using the effective interest method.

Financial Liabilities

Financial liabilities are recognised at the time the Modaraba becomes a party to the contractual provisions of the instrument and include creditors, accrued and other liabilities. These are initially recognised at fair values and subsequently stated at amortised cost.

Derecognition

Financial assets are derecognised at the time when the Modaraba loses control of the contractual rights that comprise the financial assets. Financial liabilities are derecognised at the time when these are extinguished i.e. when the obligation specified in the contract is discharged, cancelled, or expires. Any gain or loss arising on derecognition of financial assets and financial liabilities is taken to the profit and loss account.

Off-setting of Financial Assets & Liabilities

Financial assets and financial liabilities are offset and the net amount is reported in the financial statements only when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis, or realise the assets and settle the liabilities simultaneously.

3.3 FIXED ASSETS

Tangible fixed assets

Owned assets

These are stated at cost less accumulated depreciation and accumulated impairment losses, if any. Cost includes expenditure that is directly attributable to the acquisition of the items. Subsequent costs are included in the assets carrying amounts or recognised as separate assets, as appropriate, only when it is probable that future economic benefits associated with the items will flow to the Modaraba and the cost of the items can be measured reliably. All other repairs and maintenance expenses are charged to the profit and loss account as and when incurred.

Notes to the Condensed Interim Financial Information (Un-audited)

For the period from February 11, 2015 to March 31, 2015

Depreciation on all fixed assets is charged to income on a straight-line basis in accordance with the specified rates. The useful lives and depreciation methods are reviewed and adjusted, if appropriate, at each reporting date. Depreciation is charged on additions from the month the asset is available for use and on disposals upto the month preceding the month of disposal.

Gains and losses on disposals are determined by comparing the sale proceeds with the carrying amounts. These are recorded in the profit and loss account in the period in which these arise.

3.4 TAXATION

Provision for current taxation is based on taxable income for the period at the current rates of taxation after taking into account applicable tax credits, rebates and exemptions available, if any. The income of non-trading modarabas is exempt from tax provided that not less than 90% of their profits for the year as reduced by amount transferred to a mandatory reserve as required under the provisions of the Modaraba Companies and Modaraba (Floatation and Control) Ordinance, 1980 (XXXI of 1980) are distributed to the certificate holders. The Modaraba intends to avail the tax exemption by distributing at least 90% of its profits to the certificate holders each year.

3.5 LOANS, ADVANCES & OTHER RECEIVABLES

These are stated at cost less estimates made for doubtful receivables based on a review of all outstanding amounts at the reporting date. Balances considered bad and irrecoverable are written off when identified.

3.6 CREDITORS, ACCRUED AND OTHER LIABILITIES

These are carried at cost, which is the fair value of the consideration to be paid in the future for goods and services.

3.7 PROVISIONS

Provisions are recognised when the Modaraba has a present, legal or constructive obligation as a result of past obligating events, and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the amount of obligation can be made. Provisions are reviewed at each reporting date and adjusted to reflect the current best estimates.

3.8 REVENUE RECOGNITION

Profit on Diminishing Musharaka arrangements is recognised under the effective mark-up rate method based on the amount outstanding.

Mark-up / return on deposits / investments is recognised on accrual basis using the effective profit rate method.

Income from shariah non-compliant avenues is not recognised in the profit and loss account and is classified as charity payable.

Other income is recognised on an accrual basis.

3.9 EARNINGS PER CERTIFICATE

Basic earnings per certificate is calculated by dividing the profit after taxation for the period by the weighted average number of certificates outstanding during the period. Diluted earnings per certificate is determined by adjusting the profit or loss attributable to ordinary certificate holders by taking into account the conversion of any dilutive potential ordinary certificates
